## PROFESSIONAL SUMMARY

---

- Go-to-market marketer with **3+ years across agency and in-house roles**, launching consumer hardware into **North America, Greater China and other cross-border markets**.
- Led the end-to-end North America launch of an RV air conditioner — competitor intelligence, positioning, segmentation, channel plan — **within an \$821K planned annual promotion budget**.
- TEM-8 English; builds AI tools that scale marketing know-how.

## PROFESSIONAL EXPERIENCE

---

### Powtek (FOGATTI · MIZUDO) — Zhongshan, China

Oct 2025 - Present

#### Senior Brand Marketing & GTM

- Led the North America go-to-market for FOGATTI's 18K BTU RV air conditioner: mined 1–3 star competitor reviews (noise cited in **18–45% of complaints**) to build the **52dB ultra-quiet positioning behind all launch messaging**.
- Segmented the RV category into four buyer profiles, each mapped to a distinct content and channel plan across YouTube, Instagram, Facebook and TikTok.
- **Managed the \$821K planned annual promotion budget across content, paid social and KOL initiatives.**
- Built campaign reporting from zero — standardised metrics, UTM tracking to Amazon and DTC conversion — and lifted on-time asset delivery by 80% by syncing launch calendars two weeks upstream.

### Yeehai (brand GTM agency) — Guangzhou, China

Nov 2023 - Mar 2025

#### Senior Content Strategist

- Launched Empstorm coffee machines into North America on a \$3,000 influencer budget: ran Trends and Brandwatch research, briefed three micro-creators — **\$500K DTC revenue for the lead SKU, +200% brand search, +35% unit sales**.
- Managed Meta Ads for W-KING audio, shifting a \$3,000 test budget from global to North America and Southeast Asia on performance — **700K+ impressions, 5,000+ new followers in 12 months**, renewed contract value increased by 20%.
- Delivered overseas brand communications for two listed new-energy manufacturers (TOPBAND: BMS/PCS/EMS; CYG: PV and storage inverters).
- Localised Macau Beer for HK/Macau — 5,000 new followers and MOP 100K+ tracked offline sales in nine months — and built an AI copy-localisation tool adopted as the team's standard QA step.

### EF Education — Part-time English Teacher

Nov 2022 - Present

- Deliver English-medium classes for teenage learners, with 1,000+ teaching hours focused on clear communication, audience awareness and cross-cultural expression.
